Purpose of The Winding Road Trust Funding Application Form

- The Winding Road Trust Funding Application is used together with The Winding Road Trust Personal Development Plan to apply for specific financial assistance associated with school or extra curricular activities which you have identified in your Personal Development Plan.
- The Funding Application must have hard copies attached of any supporting documents or quotations. This needs to be a formal quote or a letter from the school which clearly states the request and details of the cost.
- Funding will not be paid retrospectively.
- Both you and your school support person are required to sign the Funding Application.
- Only persons already approved by the trustees may apply for funding
